

2018 Old Settlers Softball Tournament

Dates: August 10-12, 2018

This is the entry form for the Co-ed and Men's Softball Tournaments held in conjunction with the Old Settlers celebration in Halstead, KS. Our tournament will be held August 10-12, 2018. In order to better account for our entry levels, each team will be required to submit this form with payment before your entry can be considered. We do have limited space in each tournament available. Entry fee is \$225.00 and is due at time of entry. Our tournament will follow the same double elimination format from years past.

Your team will be assigned an opening round game draw. If you or any of your teammates are playing in both men's and co-ed tournaments, we cannot control nor will we adjust any game time due to conflict. Also, game start times will be honored as closely as possible, as we will not delay the start at one diamond in order for a game at the other diamond to finish. Also once a player has played in a tournament for a given team, he/she cannot play in the same tournament for any other team.

This form and entry fee should be mailed or dropped off at:

Halstead City Hall
303 Main St.
Halstead, KS 67056

*The after hours drop boxes are located in the entryway of City Hall or in the alley just west of the city building.

Entries will be taken until brackets are full and we reserve the right to return entries if we run out of space. Brackets should be finalized by Tuesday, August 7.
